

# The Art of Aging 2021

This is our 9th year celebrating older artists as part of Older Americans Month. This year's theme *Communities of Strength* recognizes that older adults have built resilience and strength over their lives through successes, failures, joys, and difficulties. Their stories and contributions help to support and inspire others.

## **Your Support Makes a Difference -**

Donations received above the cost of the art show are added to the client fund. This provides for our clients when they have needs that available funding sources do not cover, such as help with an electric bill or out-of-pocket costs for a chairlift.
