

**Harry E. Morgan, M.D.**  
**President, The Center for Geriatric and Family Psychiatry, Inc.**

Harry E. Morgan, M.D., has developed and is President of The Center for Geriatric and Family Psychiatry, Inc., located in Glastonbury, Connecticut. The practice is a unique multidisciplinary professional group committed to providing for the mental health care needs of the elderly and their families. Dr. Morgan has also co-founded ElderPath, LLC, as a consultation and case-management resource.

Dr. Morgan is a member of the active psychiatric staff at the Institute of Living/Hartford Hospital and was an Assistant Clinical Professor at the University of Connecticut Health Center. Dr. Morgan is Board Certified in Geriatric Psychiatry. He is a member of the Medical Advisory Board of the Alzheimer's Association of Connecticut and an active member of the American Association for Geriatric Psychiatry. Dr. Morgan has been an active consultant, teacher and lecturer for national and local judicial, legal, and protective service organizations with interests in issues of Capacity, Influence, and Financial exploitation. As a Geriatric Psychiatrist, his teaching interests include education related to Alzheimer's disease and other dementing illnesses of later life, the diagnosis and treatment of depressive illness as it affects adults in later life, and the study of personality development during aging. Dr. Morgan's clinical work with patients and families occurs in the office, in long term care facilities, and in patient's homes.

Dr. Morgan was educated at Dartmouth College, where he received his B.A. degree. He obtained his M.D. degree from Harvard Medical School and completed his psychiatric residency at the University of Cincinnati Medical Center.
