

## Care Through Community Partnership

The State Unit on Aging and the Department of Social Services are working together on Connecticut's No Wrong Door system.

MY PLACE CT ([www.myplacect.org](http://www.myplacect.org)) is the dedicated No Wrong Door website where individuals and caregivers will have one location to receive information on long term services and supports.

The website will connect people to services within their own community.

Learn how becoming a Care Through Community Partner connects you to the essential source of trusted resources so you can help people in your community remain in the place they call home.

Visit [www.myplacect.org/partners/signup](http://www.myplacect.org/partners/signup) to register and to learn more about other training opportunities.

Becoming a Care Through Community Partner  
will help us connect individuals to you!

Connecticut aims to develop personnel and community partners who have knowledge and experience to meet the vision and goals of Connecticut's No Wrong Door

Connect to Living Independently

### Who Should Take The Training?

Anyone in Connecticut who provides assistance to individuals or caregivers that are exploring options for long term care. This includes: municipal social workers, respite care managers, resident service coordinators, senior center outreach workers, community action agencies, legal services, mental health agencies, birth-to-three personnel, hospital personnel, federal qualified health centers, care managers and state employees...anyone who helps individuals navigate the service system.

### Who Developed the Curriculum?

The curriculum was a collaboration of The University of Minnesota's Research and Training Center on Community Living, the Community Living Policy Center at the University of California, San Francisco and Support Development Associates. Connecticut was one of eight states that piloted the curriculum for the Administration for Community Living.

### Is there a Cost?

No. The State Department on Aging received funds from the Administration for Community Living to offer this training free of charge

### How Much Time Does it Take?

The online trainings take approximately 15 hours to complete. The in-person training is five hours in length. Most of the trainings are available online so individuals can take the trainings when it is convenient for the learner. In-person trainings are being held throughout the state.

### How Do I Register?
