

YOU HAVE A
V O I C E

AgingCT, formerly known as the CT Area Agencies on Aging or C4A, is hosting regional listening sessions. The sessions are designed to get a better idea of needs, gaps and challenges faced by older adults and the network that supports them. Please join us to share your observations and to help prioritize the work of AgingCT in support of the Aging network.

WHAT

Help create the legislative agenda that supports quality care and healthy outcomes for older adults, persons with disabilities and caregivers.
