

# Are you a married couple and at least 60 years old?

Play an important role in research  
by volunteering for this **free**  
**and confidential** study.

## Yale School of Public Health Study

The Social Gerontology and Health Laboratory is conducting a study to learn more about how people think, feel, and behave in their close relationships. **If you or your spouse is age 60 or older**, you may be eligible to participate. The study will involve an interview, performing short tasks, and monitoring your blood pressure and heart rate.

*Compensation up to \$80 (per couple) and free parking. Transportation is available.*

To learn more or see if you are eligible, please contact: Joan Monin at (203) 785-2895 or email [joan.monin@yale.edu](mailto:joan.monin@yale.edu).
